ABOUT US

Infiniti Global is a minority-owned, SBA 8(a)-certified small business that helps companies run complex operations with confidence. We pair hands-on logistics, project and vendor management, and applied research with a vetted network of specialized subcontractors, giving private-sector clients one accountable partner for planning, sourcing, and execution. Our experience supporting high-stakes federal operations means every engagement is delivered with discipline, transparency, and on-time performance.

CORE COMPETENCIES

1 LOGISTICS

End-to-end supply chain and event logistics: sourcing, procurement, scheduling, distribution, and on-site coordination, built for tight timelines and multi-location execution.

2 MANAGEMENT

Strategic project and vendor management: planning, executing, controlling, and closing projects, with rigorous vendor selection, performance monitoring, and risk mitigation.

3 RESEARCH

Market, vendor, and operational research that turns data into decisions: competitive scans, supplier landscape analysis, program evaluation, and actionable recommendations.
