About us

Infiniti Global is a minority-owned, small business, located in the Metro Atlanta area. We provide strategic project management resources throughout the United States, Canada, and the Caribbean. Infiniti Global is committed to excellence and creating innovative and flexible solutions for our private, state, and federal clients. We utilize a powerful and simplified approach to meeting and managing the needs of our clients.

We are committed to working with government agencies throughout the United States and Canada. Our resource division (Infiniti Resources) currently handles project management, consulting, and technology development for private industries and government agencies. We work on small businesses set aside, minority-owned, and multicultural opportunities.

BENEFITS OF WORKING WITH US

Our methodology and approach strategically benefit our clients in the areas of cultural understanding, customer relations, project management, strategic planning, and campaign implementation.

APPROACH MATTERS

SUCCESS FACTORS

Our targeted reach includes regional, national, and international markets. Our success factors include customer retention, expansion into unique markets, and diverse multilingual markets. We have an A+ rating in the federal sector.

OUTCOMES MATTER

Cultivated Partnerships

**AWO PHOENIX
TECH**

Infiniti Global Cyber Security Partnerships

Infiniti Global has a strategic partnership with AWO Phoenix Technology, a premier minority-owned data center subsidiary under Poros Global Enterprises, which can offer innovative solutions and insight to government and private sector clients. With our expertise in cutting-edge technology, we can develop tailored solutions for corporate, small business, and government sectors.

These solutions offer efficient and effective ways to communicate information to end users. Infiniti Global LLC is well-equipped to address the needs of clients ranging from social media marketing campaigns, print collateral, and training aids with qualified industry professionals from AWO Phoenix. Our team has the capability to create, manage, and secure data projects for a variety of clients. Infiniti Global has over two decades of experience in the industry. We have worked with FEMA, HHS, and CDC on disaster relief projects.
